

## Public Health Service, HHS

## § 36.301

retroceded or reassumed contract not less than the same quantity and quality of service it would have provided if there had been no contract.

(b) The IHS shall endeavor to provide to the tribe(s) and Indians served by a retroceded or reassumed contract not less than the same quantity and quality of permanent and temporary personnel that meet the U.S. Civil Service qualifications, it would have provided if there has been no contract.

(c) IHS officials cannot decline to accept a retroceded contract or to reassume a contract because they are unable to provide the quality and quantity of service and personnel required in paragraphs (a) and (b) of this section.

### § 36.235 Contract funds.

The tribal organization shall be entitled to be funded for direct and indirect costs at a level which is not less than would have been provided if the IHS had operated the program or portion thereof during the contract period.

### § 36.236 Unexpended funds under contract.

(a) If it becomes apparent during the contract term that the estimated amount of a contract under this subpart will be in excess of actual expenditures under the contract, the identified unexpended funds will be used to provide additional services or benefits within the scope or limitations of the contract.

(b) When both the tribal organization and the IHS agree that it is not practicable to spend all contract funds during the contract term, to the extent authorized by law unexpended funds may be carried over into the succeeding fiscal year contract. Unexpended funds carried over into a succeeding fiscal year shall be added to the contract amount for that fiscal year.

### § 36.237 Contract funding and renegotiation.

The following clause shall be included in contracts awarded under the Act which have a term of more than one year:

#### CONTRACT FUNDING AND RENEGOTIATION

Funds other than those appropriated during the fiscal year in which the contract commenced, that are included in the contract amount are subject to the availability of appropriations from Congress and there shall be no legal liability on the part of the Government in regard to such funds unless and until they are appropriated. Funds appropriated during the fiscal year in which the contract commenced that are included in the contract amount but not expended at the end of such fiscal year may be carried over and used for contract purposes in the succeeding fiscal year of the contracts operation or, may be used to provide additional services upon modifications of the contract to include such services therein.

Each succeeding year of the contract may be renegotiated prior to the end of the then current fiscal year in order to reflect changes that have taken place beyond the control of the contractor since the contract was originally negotiated or last renegotiated as is applicable.
